Jana Metz Backend .D

I have been doing

I will be telling

It will doing -> It will be doing

It are done -> it's *done*

I will done -> I will do

It had been do -> It had been done

I had do -> I had done

I am being tell -> I am being told

It was be told -> It was told/ It will be told

He will has done it -> He will have done it

I was have -> I have had done

They were having

It will had done -> It will have done

It would be done

They have been doing

They have been done -> They have done

I will do

It is be done ->   it is being done

I does it -> I do it / He does it

It will had be done -> It will be done

They were trying

They will have been being done
